

[illegible][illegible]

The technical drawing illustrates the dimensions of the G1 1/4 inch ball valve assembly in three views:

- Top View:** Shows the overall length of 207 mm. The handle has a width of 80 mm at its base and tapers to 37 mm at the grip end. The mounting bracket has a height of 100 mm and a width of 75 mm. The distance from the center of the valve body to the start of the handle is 49 mm. The minimum and maximum lengths of the handle are specified as min 45 mm and max 55 mm.
- Side View:** Shows the profile of the valve body with a total length of 214 mm. The mounting bracket has a height of 120 mm and a width of 74 mm. The valve body has a diameter of Ø18 mm.
- Cross-section View:** Shows the internal components of the valve, including the ball and stem. The outer diameter is Ø63 mm. The stem diameter is 10 mm. The thread specification is G1 1/4".
