

Damos vida a tu cocina

This manufacturer warranty covers the buyer of a Xey kitchen of any possible defects, which were not noticed at installation and which may appear with use or time, within 12 years from the purchase date.

It is understood that the warranty covers only cases where the kitchen contains a minimum 5 units.

The purchaser, joining the warranty document (1), shall notify the dealer, who will then request approval from Xey. Should Xey accept the product as faulty, under the terms included in the warranty limits, it will decide whether to repair or replace it.

In the case of repair or replacement Xey will supply the dealer, at its own cost with:

- a) Repaired materials free from the original defects.
- b) New identical materials should Xey decide on replacing the defected material or if repair work is not considered satisfactory.

In extreme cases (2) making the above solutions impossible, Xey will offer an alternative solution.

Warranty Limits and Exclusions:

- Units must have been purchased from a Xey dealer.
 - Goods must not have been altered after leaving the factory.
 - This warranty shall not cover complaints due to factors beyond Xey's control (3).
 - This warranty excludes any natural changes inherent in wood with the passing of time, as well slight changes in colour.
- (1) The warranty document will only be valid if it has been duly completed and stamped at purchase and the corresponding copy sent to Xey on that date.
 - (2) Discontinued material, no longer availability by our supplier, possible change of activity of the dealer, etc.
 - (3) Water leakage, excessive heat, irregular humidity conditions, faulty installation, sharp blows, misuse, inappropriate cleaning products, tone changes due to natural light, etc.

NOTE: This warranty by no means intends to limit of the specifications laid down in the "Royal Legislative Decree 1/2007, of 16 November 2007, by which the consolidated text of the General Law for the Defence of Consumers and Users and other complementary laws is approved"

This warranty is exclusively valid for units being sold and installed in the European Community.
