¿QUE ES H&C TILES?

H&C TILES es la aplicación en el campo de la cerámica de la tecnología Hydrotect®, que permite reducir la contaminación ambiental (NOx) y proporciona al material cerámico propiedades autolimpiables, bactericidas y de eliminación de malos olores.

WHAT IS H&C TILES?

H&C TILES is the ceramic application using Hydrotect® technology, in which reduces pollution (NOx) and provides ceramics with self-cleaning, antibacterial and odor removal properties.

WAS IST H&C TILES?

H&C TILES ist die Anwendung der Technologie Hydrotect® auf den Bereich der Keramik, mit der die Umweltverschmutzung (NOx) reduziert werden kann, das Keramikmaterial selbstreinigende und bakterizide Eigenschaften erhält und schlechte Gerüche entfernen werden.

QU'EST CE QUE H&C TILES?

H&C TILES est l'application dans le domaine de la céramique, de la Technologie Hydrotect®, qui permet de réduire la pollution de l'environnement (NOx), et procure aux matériaux de céramique des propriétés autonettoyantes, bactéricides et d'élimination des mauvaises odeurs.
