

The Âtica Collection by Ramon Soler®

Pure lines and beauty

Ramon Soler® brings to light a new product line which has an instant appeal thanks to its elegant and up to date looks. Âtica is an exclusive collection in which one can find elements in which any keen design buff can relate to which includes basin, bidet, bath and shower mixers and various kitchen models.

Âtica differentiates itself from other models because of its design, a discreet combination of clear geometric lines which fits into any bathroom scene; it can either be a modern, minimalist or traditional space.

Ramon Soler® once again shows us its mission statement by continuing to offer excellent and competitive products in quality and design to its clients.
