Instalación
[Please check our product installation manuals.](#)

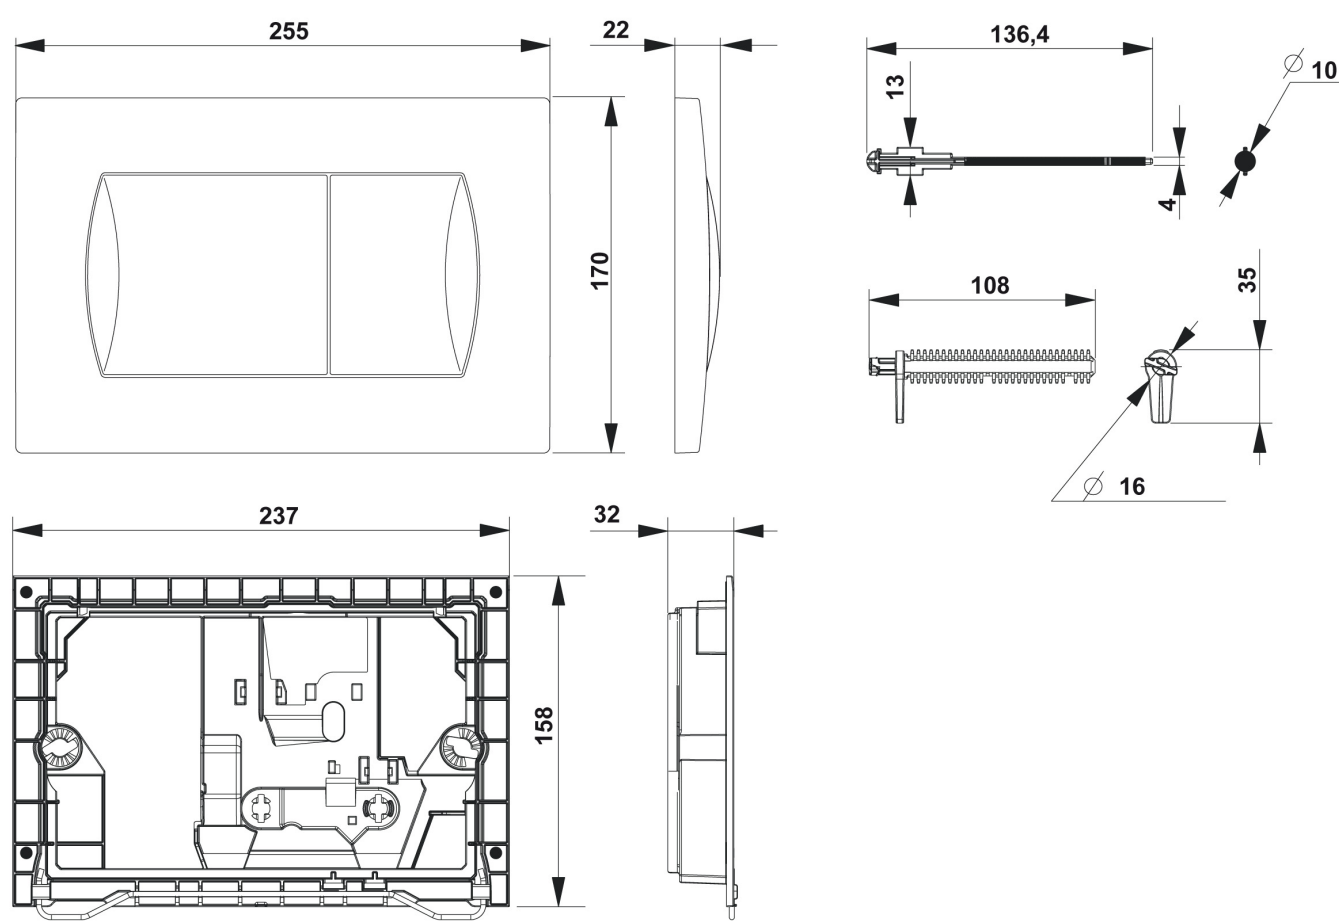

Certificaciones
High quality is a constant at Gala in order to guarantee the technical and aesthetic features as well as the performance of our products. Please check our product quality certificates.

Mantenimiento
For periodical cleaning use a soft cloth and soap and water. Dry the push-button after cleaning. If you use cleaning products such as gels, liquid cleaners or anti-limescale products, always read the manufacturers’ instructions first. After using the products always rinse the push-button with clean water. Do not use abrasive products such as bio-alcohol, bleach, hydrochloric acid, ammonia, acetone or other similar products. Do not use aggressive scourers.
