INFORMACIÓN DE PRODUCTO

Características
Atos - Plus 160 x 80 cm. Low profile. Height 3 cm. with 90 mm. waste valve / 19 kg. / 10 units.

Información de utilidad
Gala shower trays provide harmony and personality in accordance with the latest interior design trends. Ultra flat designs, with straight and fluid lines, discreet and comfortable anti-slip finishes.

Garantía
Gala products are guaranteed against any manufacturing defects, from the date of purchase of the product, only if the installation has been carried out in accordance with Gala's installation instructions and, applying the current legislation on electrical and sanitary appliances, by authorised staff. The guarantee period for acrylic products is of 2 years.

Instalación
Please check our product installation manuals.

Certificaciones
High quality is a constant at Gala in order to guarantee the technical and aesthetic features as well as the performance of our products. Please check our product quality certificates.

Mantenimiento

Cleaning should be carried out using a soft sponge, soap and water. After cleaning, the shower tray should be dried so as to prevent limescale forming. No abrasive products, solvents or objects that could damage the surface should be used. Should the shower tray surface be scratched accidentally, it should be enough just to go over the surface with a solvent-free polish. If necessary, the scratch can first be wet-sanded with 800 G wet-and-dry sandpaper, then wet-sanded with 1200 G paper, before finally applying the polish.
